

9.9.09 wedding craze in Vienna

■ Vienna. More than a hundred couples have applied to get married on 9 September in Vienna so they can have the numbers 9.9.09 as their wedding date. Eleven of the 116 planned for 9 September will be so-called "dream weddings" at one of the city's major sights like the Hofburg, Schönbrunn Palace and the Ferris wheel in the Prater amusement park. ■
