WINDOBONA INDOOR SKYDIVING 1020

Indoor skydiving is a new sport that lets you experience the sensation of free fall, allowing you to learn how to fly with your own body. You float on a jet of air and need no previous knowledge about how to do it. Suitable for everybody aged 8-99 years. We're right in the middle of the Prater, open all year long.

2, Prater 38A

Mon-Thu 14:00-22:00, Fri 10:00-22:00

Sat-Sun 09:00-22:00, windobona.at
